Suggested new action items for 2016-2017:

Action Item(s)	Status
Review staff survey report to guide committee agenda	It is not recommended this be shared with constituents; while the information compiled is directly from the survey, the results could be taken out of context and perpetuate a negative outlook rather than viewed as the tool intended to guide future committee activities.
Consider adding open-ended question to the survey	"What is the campus doing well?"
Pursue creation of Parking Ad Hoc Committee	

Please attach any completed documents or recommendations made by your committee during this report year.
